ISSUES AT WORK

NEW PAPERBACKS

Working Knowledge
DOUGLAS HARPER
"Harper's portrait of Willie, the all-around craftsman, is more than an endearing one. It is a reflection on the role, good and bad, that technology, its use and misuse, has played in our lives. *Working Knowledge* is beyond nostalgia. It is a challenge for us to take a long hard look at where we are today in the matter of our life and our work."—Studs Terkel

Citizenship, Gender, and Work
Social Organization of Industrial Agriculture
ROBERT J. THOMAS
"An enlightening analysis of how workers end up in the situations they do. He has both breadth and depth of evidence and presents it very readably."
